Report to the Board

Educator Effectiveness: The middle school teachers are working on two requirements in relation to the teacher evaluation process. Each teacher has completed the student survey and SLO (Student Learning Objective) requirement for their individual evaluation program.

Parent “Anti-Bullying Committee” letter has been sent out to the middle school parents to identify parents and/or guardians who would like to be part of the committee to help facilitate an anti-bullying effort in grades 6th – 8th grades.

Academics: We are pleased with the middle school report card for grades 6th – 8th grades. The middle school received a score that represents the “Meets Expectations” category. But overall, we recognized the efforts of all the classrooms and continue to work hard with all the grades levels to increase the academic rigor in the school district.
