The PBIS Tier 1 school wide team held an end of the year round-up meeting. The Action Plan was discussed with revisions made for the next school year.

PBIS Tier 2 school wide team discussed the end of the year results of the “Check-in and Check-out” program. Questions and answers were provided regarding the strengths and weaknesses of the program and items for the upcoming fall school year. The program was considered successful with new goals and ideas set forth by the team. We look forward continuing on with the program in the fall. Other Tier 2 strategies were discussed for teachers to use in their classrooms. The PBIS coaches will continue to work with staff and provide assistance when needed.

The 8<sup>th</sup> grade Promotion Ceremony will be held on Wednesday, June 8<sup>th</sup>. There are 34 students who have successfully fulfilled their academic requirements to move on to the high school in the fall. Congrats to all of them and we wish them all the best in their transition.

High receives the PBIS School of Merit award. Congratulations to the high school teachers and staff for receiving the high school Merit award! The staff did an excellent job this year combining their efforts to build upon both academic and behavior expectations in their classrooms and throughout the high school.....Good job!
