**K-5 Principal**

**September 9, 2015**

The start of the school year has gone quite well. There have been a few glitches with schedules, but we are working through them as they occur.

We have 5 new students with special needs who have moved into the district. That brings us up to 106 students with special needs starting the school year. We have held 9 IEP, 504 or At-Risk meetings and we have 13 more scheduled at this time.

I have been in and out of the elementary classrooms, learning about the many routines of the school building. I have been in the cafeteria during breakfast and lunch, out on the playground and watching the bus arrivals and dismissals. There are lots of things to learn.

The staff has settled in and are doing great. They have been very helpful in my learning process.

September 10 grades 3-12 will be attending a performance at Big Top Chatauqua. September 11 is the all-school dance party in the afternoon. Picture day is scheduled for September 25<sup>th</sup>. On September 28<sup>th</sup> we will have a "Meet the Author" in the library for grades K-8. Mary Cassanova will be presenting to the students. Ms. Cassanova is the author of a number of children and young adult books.
