1. Superintendent's Coffee Chats

The fall Superintendent's Coffee Chats have been scheduled. The first event is Tuesday, November 10 at 10:00 a.m. at the Egg Toss. Legendary Waters is the location of the 10:00 a.m. Coffee Chat on Wednesday, November 11th. Thursday, November 12th is the date for the 10:00 a.m. Coffee Chat being held at the LaPointe Library. I am looking forward to visiting with residents of the District at the Coffee Chat events.

2. Winter Transportation Committee

The Winter Transportation Committee has begun meeting for the 2015-16 season. A major area of work for the group will be to work with our elected officials in an effort to secure grant funding to replace the large windsled. While still functional, the large windsled has been in service for a number of years and has the wear to show for those years of service. Other contingencies discuss include the rehulling of the large windsled if replacement is not an option. With a warmer than usual winter predicted, it remains unclear what the windsled season will shape up to be for the winter of 2015-16.

3. WASB Annual Convention

The WASB Convention will be held January 20-22, 2016 in Milwaukee. The theme of the 2016 WASB convention is "Educating Hearts and Minds". Please let Sheila Kelly know as soon as you are able if you plan to attend the convention so that she can get arrangements in place. From the looks of the preliminary line up of events, it appears that information on a number of important topics will be presented at the convention.
