

Rec Center Report, December 5 2016
submitted by Scott Armstrong

Facility Update:

The fall, cold weather and the start of many programs have ramped up use of the Rec Center as usual. Take a look below at the long list of classes and special programs that we offered in October and November. We currently have 876 members - the third highest total recorded.

The high school has been using the facility for 4 weeks of fitness room and racquetball, then 3 weeks of swimming. TAP has also started to use the pool on Thursdays.

We will be replacing the grates around the edge of the pool. These grates cover the 9" deep gutter and have been breaking recently, with some patrons injured their feet when they crash through. The new grate system will be practically unbreakable. Since it requires being screwed down, we will take the opportunity to clean the gutters of the decades-long buildup of sand and other debris. Thus, we will close the facility for 5 days over the Christmas holiday (Dec. 22-26) instead of the usual 3, giving us time to complete the project. We also plan to work on the sand filters while the pool is closed and partially drained.

Other plans for needed capital improvements are:
-replace leaky heat exchanger for hot tub with new electronic controls
-replace broken dampers for pool air handling unit

Programs update: The following were offered in October and November:

Aqua Fit	Mah Jong
SilverSneakers	Martial Arts
Little Kickers	Brazilian Jiu Jitsu
