

Rec Center Report, January 6, 2016
submitted by Scott Armstrong

Facility Update:

December is a good example of the growing use of our facility:

December 2012	2531	total	visits
December 2013	2641	"	"
December 2014	3322	"	"
December 2015	3885	"	"

December 2015 was our 4th highest month ever, and that is with being closed for three days over Christmas. Brittany has almost 50 people in last night's martial arts classes, and there are 20 kids in the pool as I write this report.

Thus, RFR is very excited to hear that the school is considering an expansion of the Bayfield Area Recreation Center. Our initial report was send to Dr. Aslyn last week.

Hunt Electric upgraded our outside lights to LED, and our facility is now nearly high efficiency lighting.

RFR is creating a new, (nearly) full time position of Director of Operations and Sailing. We are currently interviewing candidates. Scott Armstrong's role will become Executive Director while Brittany Schmitt will remain as Director of Community Education and Aquatics. This increase in staffing is driven by the previously described growth in use and programs.

Programs update: The following were offered in December:

Aqua Fit	Mah Jong
SilverSneakers	Martial Arts
Little Kickers	Sea Scouts
Birthday Parties	Senior Chair Yoga
Men's and Women's Group Exercise	Yoga in Bayfield
Swim Team	Swim Lessons
