

Rec Center Report, June 8, 2016
submitted by Scott Armstrong

Facility Update:

After our record breaking winter, April and May visits were still 20% higher than the same months in previous years. We are on track to shatter the all time record for yearly visits, likely around 49,000. Memberships are near an all time high, with 849 members on June 1.

Many elementary school teachers are scheduling swimming as part of Water Week or end of the year activities.

To end the fiscal year, we will be replacing seven old pumps in the heating system. We will defer two other projects (new fire alarm system and putting a critical outside wire in conduit, until after June 30.

Earlier in the spring, we paid for materials for Dave Doering's tech ed class to build us a shed. Halfway through the building process, we learned that the process to get a building permit for an attached shed required architectural drawings and high fees. We are now selling the shed for \$900, hoping to simply recoup our initial materials costs.

Programs update: The following were offered in May:

Aqua Fit	Mah Jong
SilverSneakers	Martial Arts
Little Kickers	Sea Scouts
Birthday Parties	Senior Chair Yoga
Men's and Women's Group Exercise	Yoga in Bayfield
