

Athletic Director Report
April 20, 2011

- 1) Girls soccer has started and they are off to a great start. There are a lot of girls participating this year.

- 2) Our baseball team this year is really struggling for numbers this year. After getting clearance from WIAA, we now have a co-ed team. Thankfully, a couple of girls have joined the team to give us enough players to play out the season.

COACHING RECOMMENDATIONS

- 3) Allison Erickson was granted the assistant soccer coach position for the 2011 season.

- 4) Mark Dooley was granted the assistant baseball coach position for the 2011 season.
