

Athletic Director Report
September 8, 2010

- 1) Fall sports have started. Volleyball has 16 girls out. Boys Soccer has 15, cross country has six so far and Middle School Girls basketball has 23 girls.
- 2) There has been some interest by a few middle school students to participate in cross country. The meets are the same time as high school and see no issue for middle school students to participate. Recommend that middle school students be allowed to participate in cross country.
- 3) Recommend Mark Dooley as Head Cross Country coach. Recommend Ludlow North as assistant cross country coach.
- 4) Recommend Crystal Newago as assistant Middle School girls basketball coach.
- 5) AD meeting at CESA 12 on September 15, 2010.

Dave Roseth
Athletic Director
