We will have few changes in staffing in the special education department this school year. Our teachers and support staff will remain basically the same. Both the Occupational Therapist and Physical Therapist have retired this year. Currently, we have the OT position posted. I have been exploring some other options on both positions, but I am confident that we will have both positions filled by the beginning of the school year.

I have attended the Core Curriculum training at CESA 12 and will be attending the PBIS Leadership conference on August 16 and 17.

We are currently planning a joint inservice with Washburn on August 30 for all staff to have the Phase I and Phase II training of the Core Curriculum. That inservice will be held in Washburn.
