School District of Bayfield
Report to the Board
September, 2012

August 29 – 30, 2012

Staff reported back to school. They received information and updates on the Accountability Index, RTI, PBIS, School Safety, and Seclusion and Restraint. We also welcomed back our retirees and recognized them during breakfast. Staff did a great job preparing for the first day of school.

On September 4th and 5th, Jeff Gordon and I conducted grade level meetings. We reviewed the student hand book and our “Strive for Five” initiative.

Elementary open house was a success. Many of our families took advantage of this wonderful opportunity to meet their child’s teacher. I am taking the opportunity during the first week of school to visit each classroom and introduce myself to all K-5 students.

September 14th: No School. This will be an all day in-service for our staff.
