

Rec Center Report for December 2010

submitted by Scott Armstrong on January 6, 2011

Facility Update:

The new year always brings in many new members and users excited to improve their health and wellness through exercise. We have a long list of classes starting up, including many new offerings. We advertised the TAP Indoor Walking program in our recent newsletter. Magdelan Dale will be instructing an Indoor Soccer class on Saturdays, 5:00 pm in the school gym.

As per your request, I have included financial reports as of Dec. 31, 2010. We use the same fiscal year as the school (June 30 close), thus these reports reflect the halfway point in the year. Note that July through December are typically the months where income is at its highest and utility expenses at their lowest.

We are busy planning the Bayfield Winter Festival, which has now become a 3 day event bringing many visitors to Bayfield. We see this as a way for RFR to pay the business community back for their support.

Programs update: The following were offered in December:

Aqua Fit	Bayfield School Swim Lessons
Mah Jong	Bayfield TAP program
Northern Lights physical therapy sessions	Red Cross Lifeguard training
Birthday Parties	Bayfield School special class swims
Swim Team	Indoor Biking
SilverSneakers	Red Cross Swim Lessons
Sea Scouts	Red Cross CPR training
Martial Arts	Spanish for Travelers
Drop In Kayaking
