

Rec Center Report, September 2014

submitted by Scott Armstrong

Facility Update:

September is usually a quiet month, but we had the most visits ever for that particular month with 2472. The martial arts program continues to expand, now holding 12 classes per week at the Rec Center, pavilion and in the school building on Madeline Island. Our Yoga in Bayfield class at the pavilion will be continuing throughout the year.

The painting of the exterior of the building is complete. We will be installing a new column to support the cantilever section in front of the building. The sign is badly rotting and needs to be replaced. Dave Doering's Tech Ed class will be making a new sign with donated materials. We have been steadily replacing pumps and pipe sections in the heating plant as new drips have developed. We plan to spend the majority of this year's capital improvement funding on various projects related to the heating plant.

The start of school brought elementary classes to swim on Tuesdays and Thursdays, plus a number of athletes using the fitness room after school. Sea Scouts are meeting regularly in the lounge again. Many of our core programs will be starting in October.

Programs update: The following were offered in September:

Aqua Fit	Mah Jong
SilverSneakers	Martial Arts
Little Kickers	Scuba Diving class
Birthday Parties	Jiu Jitsu
Bayfield School swimming	Yoga in Bayfield
Parks Service training	Sea Scouts

Use for September 2014

2472 visit 625 Seniors, 1079 Adults, 718 Youth

728 visits from programs
