

Technology Coordinator Report February 14, 2011

1. Started the E-rate process for reduced bills for Telephone and Internet services.
2. Installed computers in the kindergarten rooms.
3. Attending webinar for the Course Work completion system on February 11, 2011. This is a new reporting requirement for reporting which courses a student has taken and what grades they have received and who taught the course. More information will be forthcoming.
