Report to the Board
December, 2011

November 10th and 15th: Parent / Teacher Conferences went well. This year we had the opportunity to have our first conference at the new Legendary Waters Casino and Resort in Red Cliff. This is a wonderful facility That provided excellent accommodations.

November 10th: This concluded Our WKCE testing for our Middle and High school students. The students were well behaved during this process. I would like to thank our staff for their dedication to ensure optimal testing conditions.

November 17th and 18th: Beth Kasinski along with student representatives attended the Statewide Equity and Multicultural Conference. Conference key components included:

- * Preventing Harassment, Bullying, and Discrimination
- * Community Engagement through social networking
- * The opportunity gap and student achievement
- * Respectful Communication and Civility
- * American Indian Studies
- * Supporting the needs of culturally and linguistically diverse students
- * Youth issues and diversity activities

December 6th: Mr. Dooley took his Business Law class to Washburn to watch a couple sessions of the Bayfield County Circuit Court.

Six students went on the field trip and spent the morning watching court cases, speaking with Judge John Anderson, the District Attorney and the Public Defender.

December 9th: Nancy Larson took some 9th and 10th graders to UW-S for a tour of the facility.

December 14th: Karen Grieve is taking some 8th graders to UW-S for a tour.

December 15th: I will be attending the AODA Reduction Team meeting. Nancy Larson is helping me recruit some student representatives to attend this meeting and provide their input and perspective.
