

Scott Stralka
Principal 6-12
School District of Bayfield
Report to the Board
December, 2011

November 12, 13th: Parent Teacher conferences went well. We had the opportunity to work in collaboration and communicate with our families report cards, universal screening scores for reading and math, district report card, and school garden information. The staff at Legendary Waters were very helpful and accommodating to our requests. Attached is a summary of our parent participation results K-12.

November 28th : We held our first K-5 Family Night with the help and leadership of our TAP afterschool program. Mr. Rob Goslin provided cultural activities learning about the history of the drum. Ms. Anglea Botka provided information concerning Title I and Mr. Hanson along with Mr. Iverson provided reading skill games in the cafeteria.

November 29th: I attended a Truancy Meeting as part of the MOU after school in the library. We took the opportunity to review Chapter 33 and our school's policies with truancy and explored opportunities to align both policies.

December 10 and 18th: These are the dates of our school's choir and band concerts. More information is provided on our website.

December 19 and 20th: The Polar Express for our Elementary Students will be in the LRC. Students will have the opportunity to purchase gifts for their families during this event. More information will be provided to our parents in the Thursday folders.
