

Rec Center Report for March, 2010

submitted by Scott Armstrong on March 3, 2010

Facility Update:

Use stayed very high in February with a typical weekday featuring 100+ visits. We do not have the calculations completed as of this writing; they will be included in next month's report. The swim team finished up its season with many swimmers qualifying for the Midwest Regionals, and one Central Wisconsin Swim Conference champion swimmer. A record 40 kids signed up for swim team here, and we expanded our team to include another 20 children who swam in the Northland College pool in Ashland.

Utility bills have been lower this winter, with gas use down 30% and electricity down 10%. We believe this is due to the new air circulation system in the locker room, fixing the leak in the whirlpool, and more moderate weather.

More and more Bayfield kids will come to the Rec Center right after school to work out and hang out. We added a foosball table to the lounge and it seems to have made the lounge more fun for teens. Eric Iverson is using the lounge to tutor Bayfield School children 3 days a week. Missy Eid had her art classes draw logos for the Bayfield Winter Festival (coming up March 5-7). We picked a winner that we will feature in next year's brochure. The Electrathon Team and the After School Program will be participating in the polar bear plunge to raise money for their programs.

Programs update: The following were offered in February:

Bayfield TAP program	Bayfield School swim lessons
Swim team	Morning Swim Club
Birthday parties	Northern Lights physical therapy sessions
Personal training consultations	Special school swims
Aqua Fit (8 times weekly)	30 Minute Burn
Friday Family Night	Mah Jong
Home School swims	Walleyball
Gentle Yoga	Kayaking
School tutoring	

MEMBERSHIP UPDATE

Totals have not been calculated yet and will be provided in the next report.
