

SCHOOL DISTRICT of BAYFIELD

March 23, 2017

Dear School District Staff, Students, Parents and Community Members,

It is with a heavy heart the School Board accepted the resignation of Dr. David Aslyn as Superintendent of the Bayfield School effective July 1, 2017. He has accepted a position with the Spooner School District and we wish him all the best in his new endeavors.

We are pleased to further inform you the School Board at their meeting on Tuesday, March 21, 2017 officially made an offer to Mr. Jeff Gordon to assume the Superintendent responsibilities of which he accepted. He is a Bayfield native and graduate of the Bayfield School District. Mr. Gordon is fully licensed and qualified for this position. Previously the Bayfield School Board of Education encouraged current staff members to enhance their level of education and at this time we are honored and proud to promote staff members from within our own district.

This decision was unanimous and we anticipate a smooth transition for all parties. By promoting from within, Mr. Gordon has a good understanding of the policies of the district, the students and families we serve, and the diversity of the district. Bayfield School will be in good hands for the foreseeable future.

Sincerely,

The School Board of Education
