

## **SCHOOL DISTRICT OF BAYFIELD**

### **BOARD MEMBER DEVELOPMENT OPPORTUNITIES**

The Board of Education believes that inservice training for its members is vital in order for the Board to govern the District in the most informed and prudent manner possible. Informed decision making grows more important as school governance becomes increasingly complex.

In keeping with this position, the Board encourages the participation of its members at appropriate school board conferences, conventions, seminars and workshops. The Board shall pay any attendance fee and shall reimburse attending Board members for their travel expenses in line with budgetary limitations and in accordance with established Board policy.
