

SCHOOL DISTRICT OF BAYFIELD

RECOGNITION FOR ACCOMPLISHMENTS

The Board of Education believes in the concept of recognition of groups or individuals for outstanding achievements. The Board may recognize and commend such outstanding achievements as:

1. Outstanding service to the community and school;
2. Honors received for significant contributions
3. Leadership and services to the School District of Bayfield and the community;
4. Honors received for outstanding performances
5. Offices held and professional assignments completed in educational or related activities;
6. Recognition deemed appropriate by the Board.

The administration, school staff, public and/or Board members may make recommendations for recognition and commendation. All recommendations for recognition and commendation shall be made through the District Administrator, or designee. The type and level of recognition shall be commensurate with the contribution made by the individual or group.
