

SCHOOL DISTRICT OF BAYFIELD

POLICY IMPLEMENTATION

The policies adopted by the Board of Education and the administrative rules developed to implement policy shall be designed to promote an effective and efficient school system. All District employees and students are expected to carry out all Board policies and administrative rules.

Members of the administrative staff shall be responsible for informing students and staff of existing policies and rules, and for seeing that they are implemented and followed.

CROSS REF.: 151.2, Administration in Policy Absence
