

**SCHOOL DISTRICT OF BAYFIELD****EDUCATION FOR EMPLOYMENT**

The Bayfield Board of Education shall provide students with access to an education for employment program that has been approved by the State Superintendent of Public Instruction.

The education for employment program shall provide for the following:

- a. Practical application of basic skills in the general and vocational curricula;
- b. Community field experiences and, in grades 7 through 12, school-supervised work experience;
- c. Career exploration and planning which also addresses sex-role stereotyping in career decision making;
- d. Employability skills and attitudes;
- e. Study of the practical application of economics and American economic institutions; and
- f. In grades 9 through 12, vocational education programs which have an appropriate curriculum based on labor market information including follow-up studies of graduates, job placement and employment needs.

The District shall appoint a representative to the Education for Employment Council. The Council shall consist of four school representatives, five community and business representatives, one representative from Wisconsin Indianhead Technical College (WITC) and two ex-officio members (one student and one Board member).

The District Administrator, or designee, shall coordinate the education for employment program in accordance with state laws and regulations. Education for employment program records shall be maintained and reports shall be made as required by the Department of Public Instruction.
