

SCHOOL DISTRICT OF BAYFIELD  
SCHOOL SPONSORED EXTENDED TRIPS

The Board authorizes the administration to approve school sponsored extended trips for students. Extended trips are those trips which involve overnight arrangements or out of state travel and are considered to be part of the school's programs.

All proposals for school sponsored extended trips shall be presented to the administration prior to any preliminary discussion with students or any public announcements.

No fund raising activities for an extended trip may occur before trip approval is granted.

District funds will not be expended.

Only trips that have met the guidelines as expressed in this policy and have been approved by the administration are recognized as a Bayfield School District trip. The District shall not permit use of facilities, time, or staff involvement in advertising or, promotion of unauthorized trips or tours.
