PROFESSIONAL ORGANIZATIONS

Professional staff members may join professional organizations they wish to belong to at their own expense. Absence from work for the purpose of taking part in activities of professional organizations shall require prior Administrative approval.

The professional staff member is encouraged to discuss their participation in the association with the District Administrator if such participation will require frequent, regular absence from school during working hours, or encroaches upon the time they normally spend on their regular assignment.

Attendance at conferences sponsored by these organizations shall be made on the staff member's time and expense, unless other arrangements are made through the District Administrator.
