

## Bayfield Recreation Center Philosophy Statement

The HRK Trust provided the Bayfield community, under the supervision of the Bayfield School District with the funds for the Bayfield Swimming Pool and Recreation Facility. The Bayfield School Board recognizes its responsibility toward providing a safe and sanitary facility for use by the school and community for education, health and recreation.

### Priorities

- 1st Priority: Physical education and related school use activities during the school year and summer school session in order to provide all students of the district with basic swimming skills.
  
- 2nd Priority: To create and develop programs for the general public which will encourage recreational and health related activities.
  
- 3rd Priority: To promote cooperation and positive interaction among all of the users of the facility.
