RESPECT Every student deserves to be respected as a unique and complex individual. Every child is entitled to an education which is based upon individual needs and learning styles.

COOPERATION: The potential of education is more fully realized when a partnership exists between parents, students, teachers, Board of Education, Administrators, as well as the communities of Red Cliff, LaPointe and Bayfield.

RESPONSIBILITY Everyone needs to understand and appreciate their rights as a valued citizen. We have a responsibility to make our community, region, country, and our world a better place.

KINDNESS Everyone needs to feel safe and supported in their environment. There is an obligation to promote learning, personal growth and development for everyone.

HONESTY Students and staff are encouraged and challenged to reach their full potential. Relationships will be based on integrity. Thoughtful reflection of our words and deeds is encouraged.
