CEP Notification – Meal Benefits Application

Our district is participating in the **Community Eligibility Provision (CEP)**, which means all enrolled students receive breakfast and lunch at no charge throughout the school year.

We are still asking all families to complete the Meal Benefits Application to help the district identify students who may qualify for additional educational programs, benefits, and funding.

The application is available in the [Infinite Campus Parent Portal](#):
select **MORE** → **Meal Benefits** → **Meal Benefits Application**.
