January 19, 2021

Boozhoo Troller Families,

We are excited to announce that our school board has made the decision to allow our mainland schools to proceed to Level 2. At this time, families were given three options for instructional delivery:

- 1.) -- Bayfield School Hybrid Level 2 Instruction (K-12)
- 2.) -- Bayfield Staff-Led Fully Virtual Instruction (K-8)
- 3.) -- Educere Virtual Instruction (K-12)

Teachers will be reaching out to families to share the details about each student's choice, who their teacher will be, what days they are assigned to be in school, and what bus they are assigned to ride. If your child's teacher is not able to connect with you, our front office can share the details with you. Please call 715-779-3201.

Our school day has been modified to run from 8:30 a.m.- 2:29 p.m. No visitors will be allowed in the building. And to keep the building as secure as possible, our entire K-12 will be closed campus for the remainder of the school year.

Student drop off and pick up:

Students being transported to school by their family must be dropped off at our main entrance starting at 8:30 a.m. No students will be allowed into the building before 8:30 a.m. due to our safety protocols. Pick up will be at 2:29 p.m. at our main entrance.

Bus Transportation:

- Students riding buses will be required to wear masks and sit in assigned seats.
- Bus monitors ensure safety guidelines are followed.
- Students will be required to register for transportation prior to the start of school in order to develop bus routes that allow for the least amount of students on the bus.
- Students without masks at the bus stop will be given a mask by the bus monitor.
- Students will board the bus and go to the farthest seat in the back that is empty until all seats are full. Once every seat is full students will sit in the seat closest to the front with

one student in it.

- Students will only have stops at their guardians homes. If a student would like to go to a different stop the usual protocol for approval will be necessary. .
- Variances from the primary bus stop will not be allowed, if a student needs to go to a different stop alternative transportation will need to be found.
- Buses will be cleaned multiple times throughout the day.
- Communication of delays will be done using information from the student registration.

SCHOOL DISTRICT of BAYFIELD

Food Service: Middle and High school students will be offered a “Grab-N-Go” breakfast. The breakfast food will be picked up upon arrival and students will go directly to their first period classroom to eat with their first group. Middle school students will pick up their food from the Middle School locker bay area. High school students will pick up their food from the locker bay area outside of the Family and Consumer Science room. Elementary students will be offered breakfast in their homerooms between 8:30-9:00.

Health and Safety Procedures

To monitor that state of health and to deter an outbreak within the District the following measures will be taken.

1. All staff members will report symptoms or illness daily in “Frontline”.
2. Parents/students will report symptoms daily in “Infinite Campus”. Additionally, a paper copy of the health screening may be utilized (Enclosure 2).

Students and staff that are ill, have been exposed to COVID 19, or have tested positive for COVID 19 shall not enter the building. Staff will contact their supervisor. The District will keep staff informed of current Human Resources policies regarding absence and leave.

Students and staff must stay home if they live with someone or are the primary caregiver for someone with a positive COVID-19 test, or if they were notified by public health that they were exposed to COVID-19.

The following are the primary symptoms known to be associated with COVID 19. If a new onset of one or more of these symptoms are present, contact your Supervisor and Primary Care Physician.

- Fever of 100.4 degrees Fahrenheit or greater
- Chills or shivers
- Cough
- Shortness of breath or difficulty breathing
- Nausea or vomiting
- Diarrhea
- Fatigue
- Muscle or body aches
- Headache

- New loss of taste or smell
- Sore throat
- Congestion or runny nose

Masks

Wearing a mask is the most effective way to stop the spread of COVID-19. Masks are required for everyone at the school building, inside and on the playground areas.

A mask will be provided to students every morning as they enter the bus or enter the building. Masks will be collected in the afternoon as students leave the building or disembark the bus at their bus stop. Collected masks will be laundered nightly.

Students and staff who choose to provide their own masks should follow the following guidelines from the CDC:

| DO choose masks that | DO NOT choose masks that |
|--|--|
|  <p>Have two or more layers of washable, breathable fabric</p> |  <p>Are made of fabric that makes it hard to breathe, for example, vinyl</p> |
|  <p>Completely cover your nose and mouth</p> |  <p>Have exhalation valves or vents, which allow virus particles to escape</p> |
|  <p>Fit snugly against the sides of your face and don't have gaps</p> |  <p>Are intended for healthcare workers, including N95 respirators or surgical masks</p> |

SCHOOL DISTRICT *of* BAYFIELD

The staff is excited, and anxious, to move forward with this transition to Level 2 Hybrid. Every safety measure and protocol that has been developed over the last ten months has been previewed and reviewed over the last few weeks. Administration will be meeting with students to review not only the school handbook, but also the new COVID19 protocols and expectations. As always, if you have any questions please reach out to the building principals.

Respectfully,

Mike Peterson, 4K-5 Principal
Shellie Swanson, 6-12 Principal
