

## SCHOOL DISTRICT of BAYFIELD

December 22, 2020

Dear families,

Last night the school board approved the extension of all virtual learning for the mainland schools through **Friday, January 22, 2021**. This date coincides with the end of the first semester for the 2020-21 school year. The La Pointe School will continue to operate a different operational level. Please make note of this change.

We hope that Covid positive cases continue to decline in our area so that we can return to face to face instruction at our mainland schools sooner than later. Please continue to check our district website, district social media pages and your emails for updates.

On behalf of all of us at the School District of Bayfield, I wish you a safe, healthy and joyous holiday season!

Here is to a great 2021!

Beth Paap
