

SCHOOL DISTRICT of BAYFIELD

November 18, 2020

Boozhoo Families,

I am writing this morning to inform you that at Monday's school board meeting the Board agreed with the administration's recommendation to **continue 100% virtual instruction for our mainland schools through Friday, January 15th**. The La Pointe School will continue to operate at Level 2/hybrid instruction; shift to Level 1/100% virtual the week after Thanksgiving and then if it is safe for the La Pointe School to move back to Level 2/hybrid instruction in December, they will.

The drastic increase in Covid positive cases in our area drives our decision. I hope that you and your family are staying safe. Please continue to reach out to teachers, principals and me should you have any questions or concerns. Our District website and District Facebook page are two excellent places to look for updates and information about instruction, athletics and Covid related information.

I am confident that we will get through this pandemic and be able to return to the classroom. Until then continue to maximize the opportunities that virtual learning offers and know that we are here to help you and your student continue to learn and grow.

I wish you and your family a safe and peaceful Thanksgiving holiday.

Respectfully,

Beth Paap
Interim District Administrator
