

## SCHOOL DISTRICT *of* BAYFIELD

### MEMO

To: Mainland school families  
From: Dr. Beth Paap, District Administrator  
Date: Thursday, October 17, 2024

Dear Families,

I hope this message finds you well. I wanted to take a moment to update you on our recent all-school evacuation drill, which took place today. I'm pleased to report that the drill went smoothly, and our students and staff responded quickly and safely.

After any drill we conduct, the leadership team meets to discuss how things went. We identified a few ways we can streamline our evacuation procedures to maintain the highest level of safety for everyone.

There will be another evacuation drill later in the school year, and it's important that we continue to practice these safety protocols regularly. Drills like these are essential in ensuring that, in the event of a real emergency, we are all prepared to respond effectively and keep our school community safe.

Thank you for your support and partnership in keeping our students safe. If you have any questions, please don't hesitate to reach out to your child's principal or contact me directly.

Miigwech/Thank you,

Dr. Beth Paap  
District Administrator
