Report to the Board
January, 2012

December 13th, 16th, and 20th: I was very pleased with our Middle and High School choir and band performances. Mr. Wenz and Ms. Gephart did an outstanding job of preparing our students for the wonderful programs.

January 2nd: Our staff participated and received training with Differentiating Instruction, Build Your Own Curriculum, and Choice Theory as part of their in-service day. We also discussed RTI and created committees with our staff as we move forward developing the necessary components for RTI.

January 18 – 20: Final exams will be issued to our High School students. Staff, students and parents will be notified in advance of the exam schedule.
