Achievement & Curriculum Expansion

On January 6th Marilu Belanger took 23 of her High School PE student to Mount Ashwabay for a day of fun on the ski hill.

On January 11th & 12th Mr. Erickson and 4 high school students attended the Western Wisconsin – Upper Michigan Junior Science & Humanities Symposium sponsored by UW – LaCrosse. All four students presented their research and represented Bayfield very well, with two of the students advancing to the National Symposium in Bethesda, Maryland in late April.

On January 20th Mr. Filipczak held the Spelling Bee finals for students in grades 4th-8th. 6th grader Madeline LaPointe is one of the two students advancing to the Regional Spelling Bee held at CESA #12 on February 3rd.

Middle School students enjoyed time on the slopes of Mount Ashwabay in the afternoons of January 20th and 27th.

On January 26th Mrs. Lacy & Mr. Filipczak held the 6th Grade Project Fair in the school cafeteria. The students presented a wide variety of projects ranging from how to build a wooden bench to the perils of celebrity. Overall there was a great turnout with approximately 50 parents and community members in attendance.

School Climate

High School Homecoming week was January 25th - 29th. Each grade participated in multiple activities including a quiz bowl tournament, video creation expressing what makes Bayfield School great, air band performance, classroom decoration, and of course a variety of competitions during the homecoming assembly. The final results were 1st place – Seniors, 2nd place – Sophomores, 3rd place – Juniors, & 4th place – Freshman.

The high school Homecoming Dance was held on Friday, January 9th in the cafeteria. Approximately 75 students attended and danced the night away. King and Queen were Harrison Nelson and Carrie Nelson. Prince and Princess were Dylan Griggs and Nissia Dietrich.

Also during homecoming week the National Honor Society sponsored a fundraiser for victims of the earthquake in Haiti raising a total of \$800 exceeding their original goal of \$500!
