

Athletic Director Report
January 10, 2011

- 1) The Washburn School Board did not approve or disapprove the football and soccer coops in Dec. I have had conversations with Al Krause concerning this. We have been working on clarifications of the agreement. The Washburn Board is set to vote on Jan 11th to decide the issue. The deadline for turning in the agreement is Feb 1. The basic agreement that I have laid out in the previous report has not changed.
- 2) Putting out signup sheets for middle school volleyball and elementary basketball.
- 3) Will be having a meeting with Gretchen Morris on Monday, January 10 concerning playing the Drum at basketball games.
