

Athletic Director Report
June 5, 2013

The Spring Sports season has come to a conclusion with the sports teams ending with positive team play. The weather was horrible but we were able to get most of the games played with the exception of a few that couldn't be rescheduled because of other events on the school(s) calendar. The student participation numbers stayed the same throughout the season.

We want to wish the senior athletes well and thank them for all their accomplishments and time given to make our teams the best they can be.

The sports participation is as follows for each team:

- Girls Coop Soccer 15 students Washburn 15 students total 30
- Boys Baseball 11 students
- Girls Coop Softball 7 students Washburn 8 students total 15

Fall sports for the new school year will begin in three months. The 2 Athletic Code reading's for parents and students will be scheduled sometime in the month of August. This will provide our parents the opportunity to attend one of the required meetings.

Upcoming Fall Sports will be Coop Football, Coop Boys Soccer, Girls Volleyball and Middle School Girls Basketball.

Sincerely submitted,

Jeff Gordon
Athletic Director
