

Athletic Director Report
May 9, 2012

- 1) The baseball and girls' soccer seasons are underway and both teams are past the midway points of their seasons.
- 2) Al Krause and I have continued to work on several cooperative programs between Bayfield and Washburn, specifically softball and girls' soccer for the upcoming school year.
 - a. Included in your packet you will find information on the agreements for softball and girls' soccer.
 - b. Al and I are trying to make sure that all of the cooperative programs have similar agreements in the future.
 - i. Any suggestions or input from the board is welcome.
 - c. We will need to get approval so we can submit the applications to the WIAA for approval before June 1st.
 - d. Once we have approval Al and I will get the proper signatures and submit the applications to the WIAA
- 3) I have been in contact with Interscholastic Licensing Company (ILC) about licensing the Bayfield logo.
 - a. Included in your packet is some background information on ILC and what they can do for Bayfield.
 - b. ILC has indicated that they would like to come to Bayfield at some time in the near future and do a presentation to show how their program could benefit Bayfield.
 - i. I am still trying to get the date set up for them to come up to Bayfield
 - ii. The presentation would be done for the AD, Administration, Board members who wished to attend and I would also include any coaches who wanted to come as well as 4-5 student athletes.
 - iii. Once I have more information I will pass it on to the board.
