FULL COURSE INFORMATION

Playground Adventures with Ms. Alli (2nd-3rd) (session 2 ONLY)

Get ready for a summer full of fun, friendship, and adventure! In this exciting class, students will explore playgrounds around the area while staying active and building social skills through play. Each day will also include a special story time with Ms. Alli and a fun hands-on craft to match the day's theme. From climbing and swinging to creating and imagining, this class is the perfect mix of outdoor fun, creativity, and summer learning!

T-Ball & Swim (2nd-3rd) (session 1 & 2)

Step up to the plate and make a splash this summer! Students in grades 2–3 will enjoy learning the fundamentals of t-ball at the Bayfield baseball fields while building teamwork, confidence, and sportsmanship. Campers will also cool off with fun swimming activities and water games at the rec center. This active summer course is perfect for kids who love to play, move, and have fun with friends!

Beaches/Bracelets/Besties (2nd-5th) (session 1 & 2)

Join us for a fun-filled summer course where students explore the beach, create friendship bracelets, and build lasting friendships. Through outdoor play, simple nature activities, and creative crafts, kids will connect with each other while enjoying the beauty of Lake Superior.

Swim & Exploration (2nd-5th) (session 1 & 2)

This course offers a combination of Red Cross Swimming Lessons as well as fun and engaging STEM (Science, Technology, Engineering, Math) activities. We will be working with a variety of materials including color dyes, bubbles, side-walk chalk, and foods to explore the world of STEM.

Camera Clique (3rd-5th) (session 1 & 2)

Students will learn photography skills, how to upload and edit photos. Every child is given a digital camera and inspired to go out and photograph the world in a new light. Mr. Iversen is a photographer who thoroughly enjoys imparting his extensive photographic knowledge to the younger generation.

Garden & Nature (3-8) (session 1 & 2)

Explore nature and science at local farms and gardens and nature's garden (the forest) through growing & harvesting plants, outdoor explorations - including hiking, fort building and other hands-on activities. Field trips may include foraging, berry picking and visiting the Lake Superior shore.

Community Connections (4th-8th) (session 1 & 2)

Community Connections is a 7-day summer program for upper elementary and middle school students centered on community service, leadership development, and local engagement. The goal of this program is to help students develop a strong sense of identity, belonging, responsibility, and connection to their community. Students will participate in a variety of hands-on, community-based experiences that allow them to learn directly from local people and places. At its core, the program helps youth experience themselves as valued community members who can contribute, lead, and care for others, while building meaningful relationships with their peers and the community around them.

Basketball Clinic (5th-7th) (session 1 & 2)

This basketball clinic is designed for students in grades 5–8 who want to build their skills, confidence, and understanding of the game. Students will work on ball handling, passing, shooting, footwork, defense, teamwork, and game situations in a fun and active environment.

The clinic will focus on fundamentals, effort, sportsmanship, and learning how to play the right way. Each session will include skill-building drills, competitive games, and team-based activities for all experience levels. Students should come ready to move, learn, compete, and have fun.

North Coast Sailing (3rd-8th) (session 1 ONLY)

Join us on Lake Superior to learn the basics of sailing! Students will be using small boats to learn rigging, knot tying, and boat handling in a friendly and safe environment. Sailing focuses on teamwork, engineering, history, patience, and ecology. Get ready to broaden your curiosity, sense of adventure, and imagination. You will also develop a sense of stewardship for the Lake and our shared outdoor resources.

Lacrosse on the Land (6th-8th) (session 1 ONLY)

Baaga'adowewin, traditional Ojibwe lacrosse, is our healing game, and offers students an opportunity to build strength, focus, community, and confidence. Each day we'll travel to a new location to practice skills, play scrimmages, and enjoy the outdoors. We may also harvest wild plants, wade in the lake, repair lacrosse sticks, and read in the shade!

Golf/Disc Golf/Sailing (6-12) (session 1 & 2)

Do you like to play frisbee? Are you interested in Golf? Wanting to adventure out and experience sailing? Then you will love this course!. The course is located at the Apostle Highlands Golf Course, Howl Adventure Club, and the City Dock. Just bring yourself and a smile and we will have a lot of fun. Make sure to wear your tennis shoes!

Academic Recovery (High School) (session 1 & 2)

High school students will have an opportunity to finish their coursework from the school year. Students should meet one-on-one with Ms. Savannah to arrange meeting date, time and place.

OTHER SUMMER OPPORTUNITIES

Dates for these programs fall outside of normal Camp Chequamegon dates and all of these opportunities require additional registration directly with the program.

Language Camp July 7-10, 2026

Gaa-Miskwaabikaang, Raspberry Campgrounds

93875 Raspberry Campground Rd, Bayfield, WI 54814

Join us for language activities, traditional games, treaty activities, food, and so much more!

Wolf Camp August 3-7, 2026

Gaa-Miskwaabikaang, Raspberry Campgrounds

93875 Raspberry Campground Rd, Bayfield, WI 54814

Some activities include archery, hatchet throwing, arts and crafts, tea making, ethnobotany, whistle making, moccasin games, Bowl game, Snow and Dance game, Spear and Hoop game, and other traditional teachings. Come fish, canoe, kayak, and experience our great northwoods.

Questions? Contact Hovas Long at or jlong@bayfield.k12.wi.us

***We understand that there are limited class offerings this summer. Due to this, registration will be first come first served. We will keep a waiting list once a class is full. You will be notified in early June as to which class your child gets into or if you are on a waiting list. If your child gets a spot in a class but can no longer attend, please let us know so we can open up the spot to another student. Chi-miigwech!**
