

# Cold Weather Information

When it's cold outside, the Bayfield School District consults with [nws.duluth@noaa.gov](mailto:nws.duluth@noaa.gov) for the most up to date information on inclement weather and use this information to make decisions about recess and school opening.

## School Buses

The buses are allowed to wait for 30 seconds and then, by law, must move on. If your child is waiting in the house on cold mornings, please make sure they are geared up and ready to get on the bus as soon as it pulls up to the bus stop.

## Temperature Guidelines

When the temperature and wind is a factor the following guidelines are followed regarding school closings:
