

IT Systems Administrator Report

April 17, 2012

1. State reporting is ongoing, as is E-rate filing.
2. I have been planning for next year. I have an analysis ongoing to see whether server virtualization would be a cost-effective option for the District.
3. My work with remote monitoring and notification systems for network devices and servers continues.
4. I am evaluating equipment replacements that can be done this year, and scheduled for next year.

Chris Plansky
IT Systems Administrator
