

Athletic Director Report
May 7, 2014

The athletic programs are continuing to work with the weather and are planning accordingly with their team schedules. The coaches/students have been working hard and doing the best they can while waiting for the fields to get ready for play. The teams will not be playing the majority of their conference schedule in the month of May.

The sports participation is as follows for each team: (approximate numbers)

- Girls Coop Soccer 5 students Washburn 20 students total 35
- Boys Baseball 10 students
- Girls Coop Softball 3 students Washburn 9 students total 12

Sports schedules will continue to be updated on our school website. The schedules have been changing daily so we will do the best we can to keep them updated.

Spring High School Athletic Award day is scheduled for Friday, May 23, at 2:00 pm, in the gymnasium. This is a change from the evening schedule to allow all students the ability to receive their awards.

Fall sports for the new school year will begin in three months. The 2 Athletic Code reading's for parents and students will be scheduled sometime in the month of August. This will provide our parents the opportunity to attend one of the required meetings.

Sincerely submitted,

Jeff Gordon
Athletic Director
