

Rec Center Report for April 20010

submitted by Scott Armstrong on May 5, 2010

Facility Update:

Bayfield School continued to use the Rec Center 5 days a week, as the high school switched from swimming to classes in the fitness room and racquetball court. Thank you to the high school students who worked at the Rec Center on their community volunteer day. They cleaned up the grounds, neatened the garden in the corner and polished steel in the pool deck.

The northeast corner of the lot was dug up last fall to remove contaminated soil. The replacement fill has settled and needs to be finished and graded. I have called the contractors and they say it will happen this spring or summer. This is the area where we would like to put in a skateboard park. The skateboard committee is small and having trouble generating enthusiasm for more fundraising. They would like to build a skateboard area with the limited funds they have already (\$8000). We are looking into overlaying the parking lot and possibly adding a finger to extend the skating area. This would mean skateboarders would be using the parking lot for skating. We think this will work because it is extremely rare to see a car parked in the lot (cars usually park on the street). The parking lot is already used for basketball. The City is OK with this as long as we do not specifically block off parking.

RFR has worked hard to avoid any more spending capital improvement dollars this fiscal year, but we do have one small project that we want to proceed with. We plan to upgrade various electrical conduits, boxes and breakers that are rusted and dead in the pool and whirlpool rooms. Cost of the project is \$1400. Also, the roof still needs shingles replaced.

Programs update: The following were offered in April:

Bayfield TAP program	Bayfield School swim lessons
Bayfield High School PE instruction in the fitness room	
Birthday parties	Northern Lights physical therapy sessions
Personal training consultations	School tutoring
Aqua Fit (8 times weekly)	30 Minute Burn
Friday Family Night	Mah Jong
Home School swims	Walleyball
Kayaking	

MEMBERSHIP UPDATE

Member Units

Adult Memberships	88
Youth Memberships	6
Senior Memberships	38
Senior Family Memberships	27
Family Memberships	112
TOTAL 635 people who were members on April 30, 2010	271 member units

FACILITY USE **April 2010** Total number of visitors 2091
Seniors 447, Adults 802, Children 842
Programs 683
