

# Rec Center Report, May 6, 2013

submitted by Scott Armstrong

## **Facility Update:**

April is usually a quieter month, but we still had 3205 visits despite a number of very difficult travel days due to snow. The school's use has been strong, with swimming, high school PE, a weekly swim by a special ed class, TAP, and a few reading reward swims by grade school classes. The high school PE classes are now playing walleyball instead of golf due to the snow cover.

Bayfield School children will be helping spiff up the Rec Center later this week, volunteering to help clean up the grounds, fix skateboard equipment and add supports to the sauna benches. It's great to have the school youth participate in the maintenance of the center. The racquetball court is closed and being refinished this week. We are looking at upgrading our fitness room equipment this summer, especially the weight lifting machines, as many of them are 20+ years old.

## **Programs update:** The following were offered in April:

|   |  |
|---|--|
| Aqua Fit  | Mah Jong                               |
