

TO: Superintendent and Board of Education

FROM: Steve Dunn

DATE: June 5, 2013

SUBJECT: June Board Report

Buildings and Grounds: Working on making more parking and better traffic flow to the south (front) parking lot. A Building and Grounds Committee meeting is scheduled to review proposed plan and look for improvements.

Transportation and Vehicles: Bus inspections by the State Patrol will be this Thursday. The #1 mini bus will get a new windshield next week. The windshield has been on order for a few weeks.

Safety and Crisis Management: Fire Alarm Inspection will be this month.

Planning and Projecting: The Technology Education Building project is moving along on schedule. The FACE classroom project has yet to have a final number for budget at the time of this report but should have something by the Finance Committee meeting.

Staffing and Personnel: Need more substitutes.
