INTRODUCTORY MATTERS

OVERVIEW OF HANDBOOK

This Handbook has been prepared to provide general information and to assist you in finding answers to common questions. The Handbook cannot anticipate and answer *all* of the questions that may arise in the course of employment at the School District of Bayfield. It is expected that you will turn to your supervisor and other administrative personnel, as necessary and appropriate, in order to find answers to employment questions that are not addressed, or not fully addressed in the Handbook.

The provisions set forth in this Handbook supersede all prior personnel policies and procedures, whether written or established by past practice. Because this Employee Handbook is based on the School District of Bayfield Board of Education policies and procedures, federal and state mandated policies and procedures, and present employee fringe benefit programs which are all subject to change, this manual is also subject to change. In the event any provision in this Employee Handbook conflicts with any applicable collective bargaining agreement provision, the collective bargaining agreement shall control. The School District of Bayfield Board of Education reserves the right to revise, add, subtract, correct, delete or update any part or all of the materials in this Handbook. Any changes made in this Handbook will be brought to the attention of all employees by: employee meetings, posting of the change on the employee bulletin board, e-mail, or corrections in the Employee Handbook itself.

Pursuant to Wis. Stat. § 118.21, the School Board shall contract in writing with teachers. Please note that nothing contained in this Handbook is to be construed by any employee as establishing, or modifying the specific terms of such a teacher contract. Furthermore, nothing herein shall be construed as a guarantee of continued employment nor as a guarantee of any benefits or conditions of employment.

EQUAL OPPORTUNITY EMPLOYMENT

It is the policy of the School District of Bayfield to provide equal opportunity in employment to all qualified employees and applicants for employment. The School District of Bayfield does not discriminate on the basis of age, race, creed, color, disability, marital status, sex, national origin, ancestry, sexual orientation, arrest record, conviction record, military service, use or nonuse of lawful products off the employer's premises during nonworking hours, or any other legally-protected class status. Positive action is required from all employees to help ensure that the School District of Bayfield complies with its obligations under state and federal law and does not discriminate with regard to application procedures, hiring, advancement, discharge, compensation, training, or other terms and conditions of employment.

In accordance with the Americans with Disabilities Act (ADA), the School District of Bayfield will reasonably accommodate qualified individuals with a disability so that the individual can

perform the essential functions of his/her job. An individual who can be accommodated for a job without undue hardship will be given the same consideration for a position as any other applicant.

Safety standards apply to all applicants and employees. Applicants/employees who pose a direct threat to the health/safety of other individuals in the workplace, when such threats cannot be eliminated by a reasonable accommodation, shall have their employment status reviewed.

Any employee with questions or concerns about equal employment opportunities in the workplace, or reasonable accommodation, should bring the issue to the attention of the District Administrator. The School District of Bayfield prohibits any form of retaliation for making a report in good faith about issues associated with equal employment opportunity and reasonable accommodation.

3. The employee shall notify the District Administrator, through a written request, listing the employee's need of coverage and the projected number of days needed.
 4. Employees may voluntarily contribute a maximum of two (2) sick leave days per request, provided the donating employee has at least thirty (30) sick leave days remaining.

1. All employer-provided electronic media systems are the employer's property. Additionally, all messages and files composed, sent or received on these systems are and remain the property of the employer. They are not the private property of any employee.
2. The use of our electronic media systems is reserved solely for the conduct of business, during work hours. However, if employees wish to use these systems during breaks, lunch periods, or before and after regular working hours, they may do so but employees are specifically prohibited from using these services for any illegal, illicit, immoral or offensive purposes. A post is "offensive" if it could reasonably be construed to intentionally harm someone's reputation, contribute to a hostile work environment on the basis of a protected classification, incite violence or similar inappropriate or unlawful conduct, or disparage members of the public/customers, co-workers/associates or suppliers.

3. The electronic media systems may not be used to solicit or proselytize for commercial ventures, religious or political causes, outside organizations or other non-job-related solicitations.
4. The electronic media systems are not to be used to create any offensive or disruptive messages or documents (see definition of “offensive,” above) or used in a manner that adversely affects your job performance or is disruptive to the job performance of co-workers.
5. The electronic media systems may not be used to send (upload) or receive (download) copyrighted materials, trade secrets, proprietary financial information, employee/family medical information, or similar materials without prior authorization. This guideline is not intended to restrict employees from discussing with others their wages or other terms and conditions of employment.
6. The employer reserves and intends to exercise the right to review, audit, intercept, access and disclose all internet activity and any messages or documents created, received or sent over the employer’s electronic media systems for any purpose.
7. The confidentiality of any message cannot be assumed. Even when a message is erased, it is still possible to retrieve and read that message. Further, the use of passwords for security does not guarantee confidentiality. All passwords must be disclosed to management or they are invalid and cannot be used.
8. Employees may not modify, delete, or destroy any Employer document created by any electronic media unless specifically authorized to do so.

General Guidelines - Social Media:

1. **Only on Your Own Time.** Unless you have received advance permission from your supervisor or unless such activity is directly related to the performance of your job, you may not engage in social media activity on work time and in work areas (you may engage in social media activities during break times and pre/post work time).
2. **Post as Yourself.** Make clear that you are expressing your personal views alone, not those of your employer.
3. **Be Respectful and Nice.** Do not post communications or material that is disparaging of services or employees, obscene, profane, vulgar, bullying, threatening, or maliciously false. This guideline is not intended to restrict employees from discussing with others their wages or other terms and conditions of employment.
4. **Use Good Judgment.** Because what you say online is accessible to the public, use good judgment in your communications.

5. **Obey the Law.** Do not post any material that violates the law, such as material that is obscene, profane, defamatory, threatening, harassing, or that violates the privacy rights of someone else. The posting of such material may subject you to criminal and civil liability.
6. **Don't Expect Privacy.** Because your social media communications are publicly available, you should not expect that your communications are private in any way. Once you post something online, it is completely out of your control and generally available to anyone in the world.
7. **Ask for Guidance.** If you have any questions about what is appropriate to include in social media communications, ask your manager.
8. **Comply with Harassment and Other Policies.** Employees may not use social media technology to engage in or post communications or material that would violate any other Handbook policy, including, but not limited to, the Workplace Safety, Discrimination, Harassment and Retaliation policies. This guideline is not intended to restrict employees from discussing with others their wages or other terms and conditions of employment.
9. **Keep Secrets.** You must not disclose "confidential information," which does not include discussions with third parties about your wages, hours and/or conditions of employment.

Reporting Deviations from Policy: All employees are encouraged to report any discovered or suspected unauthorized or improper usage of electronic media or social media with impact on the workplace. The Employer prohibits taking negative action against any employee for reporting a possible deviation from this policy or for cooperating in an investigation. Any employee who retaliates against another employee for reporting a possible deviation from this policy and/or for cooperating in an investigation will be subject to disciplinary action, up to and including discharge from employment.

Policy Violations: Employees who violate this policy may be subject to discipline, up to and including immediate termination of employment.

POLITICAL ACTIVITIES

POLICY: Employees are free to engage in political activity outside of work hours and to the extent that it does not adversely affect the performance of job duties, working relationships or District operations. When engaging in political activity or engaging in discussion of issues of public importance, employees are expected to ensure that their actions and positions are not attributed to the Employer. Employer resources may not be used for promoting a particular candidate or political party or for advocating a particular position on an issue that has become identified as the viewpoint of a particular candidate or party.

Definition of “Employer Resources”: Employees may not use employer resources for political activities. Employer resources include office supplies, electronic equipment including e-mail, facsimile and photocopying machines, bulletin boards and other public spaces. (Use of bulletin boards requires authorization of the District Administrator and is off-limits to public use.)

Definition of “Political” Activities: Political activities include partisan and non-partisan elections and referendums. Any political activity must be conducted independent of your role as an employee. The following guidelines are not exhaustive, but are intended to help in differentiating between those activities that may be viewed as harmful to workplace functioning and those activities that generally fall outside the “political” activities subject to employer restrictions and intervention. Employees are expected to avoid the following political activities:

- Using working hours or employer resources to solicit money or signatures or to make political contributions;
- Using non-work hours to solicit contributions, signatures or services from other employees who are on work time;
- Posting political materials in areas open to the public (generally, individual work stations that are not available to the public are exempted from this restriction);
- Using the employer’s mailing address as the return address for political solicitations;
- Providing employer mailing lists to any individual or organization for political solicitations if this information is not generally available to the public. (Note: the use and distribution of employer mailing lists to outside parties always requires prior authorization including an assessment of whether fees should be charged to cover production costs);
- Providing a forum for an individual candidate to promote his or her campaign without giving an equal opportunity to other candidates, for the same office, to participate in the forum;
- Political advocacy in the form of clothing items, armbands and buttons that cause a disruption in operations and/or violate the rights of others including the right to be free from discrimination, harassment and intimidation in the workplace.

These guidelines are not intended to discourage discussion of controversial issues in the classroom, where such discussions are consistent with District curriculum guidelines and teaching methods.

This policy is not intended to limit the off-duty activities of employees where District buildings and property are made available to community groups for meetings and gatherings.

Nothing in this policy limits the rights of the District to sponsor non-partisan political forums or forums in support of District initiatives, such as building referendums. Nothing in this policy

places restrictions on the District's freedom to invite speakers with political associations to forums that are not open to the general public.

SOLICITATION (Non-Political)

POLICY: In order to help maintain a work environment that protects employees from undue interference while performing their jobs, employees may not orally solicit or distribute written materials for any organization, fund, activity or cause to other employees in work areas while either employee is on working time.

Employees On-duty: Employees may solicit other employees or distribute written materials before or after the normal workday, during normal break or lunch times or any other time when they are not working. These solicitations and literature distribution efforts are not permitted in working areas.

Employees Off-duty: Off-duty employees may not solicit or distribute literature on District premises at any time.

Non-employees: May not solicit or distribute written materials on behalf of any organization, fund, activity or cause. Solicitations for charitable organizations are exempt as long as the organization is sponsored by an employee and prior permission has been secured from management. The same restrictions regarding working time and working areas apply to non-employees.

WORKPLACE POLICIES

DISCIPLINE

POLICY: Disciplinary action against employees may be taken for violations of standards of conduct, violations of policies and procedures, or for unsatisfactory work performance. Disciplinary action will typically be taken after an investigation and after giving the employee an opportunity to respond to any and all allegations.

Level of Discipline: The level of discipline imposed will take into consideration the seriousness of the infraction as well as the employee's performance record. When appropriate, discipline should be corrective in nature. At the employer's sole discretion, various types of employee discipline or corrective action may be imposed which include, but are not limited to, the following: verbal warning, written warning, suspension or termination. Employee discipline, for purposes of access to the grievance procedure, is defined to include only disciplinary suspensions and disciplinary demotions. None of these disciplinary measures are required to be used before termination from employment occurs nor are the listed disciplinary actions required to be used in any specific order. The Employer may repeat disciplinary action.

Employees are expected to work in a competent and conscientious manner which reflects favorably upon the employee and the School District of Bayfield. The following is a list of examples of behavior which would normally justify disciplinary action.

- Fraud in securing employment
- Incompetency
- Inefficiency
- Unauthorized absences
- Repeated absence or tardiness or improper use of leave
- Neglect of duty
- Insubordination or willful misconduct
- Dishonesty including failure to provide accurate and complete information when requested by an authorized person
- Assuming duties while under the influence of controlled substances or intoxicants; or possession of use of intoxicants or controlled substances during working hours
- Conviction of a felony or misdemeanor, the circumstances of which are substantially related to the duties performed

- Negligence or willful damage to property
- Discourteous treatment of the public or fellow employees
- Failure to obtain and maintain a current license or certification as required by law or employer
- Failure to maintain effective working relationships with other employees or the public
- Sexual or other unlawful harassment, discrimination or retaliation
- Workplace violence including using threatening or abusive language toward others
- Unlawful possession of weapons
- Failure to comply with health and safety rules and regulations
- Unauthorized entry or use of facilities and property
- Violation of any lawful order, directive, policy, or work rule

The offenses listed above are not intended to be all-inclusive, and discipline or termination may occur for any other reason depending upon the seriousness of the offense, the particular facts and circumstances surrounding the incident(s), and the employee's record of prior disciplinary actions.

Documentation: All discipline shall be documented with a copy provided to the employee and a copy placed in the employee's personnel file.

GRIEVANCE PROCEDURE

POLICY: To provide a timely and orderly review of decisions concerning:
a) employee terminations; b) employee discipline; and c) workplace safety.

- I. **Purpose and Applicability:** This procedure provides an employee with the individual opportunity to address concerns regarding discipline, termination, or workplace safety matters, to have those matters reviewed by an Impartial Hearing Officer, and to appeal to the Board of Education, where appropriate. The District expects employees and management to exercise reasonable efforts to resolve any questions, problems, or misunderstandings prior to utilizing the grievance procedure.

If an employee is subject to a contractual grievance procedure, the contractual grievance procedure must be followed as applicable. This procedure does not replace or supersede any statutory provision which may be applicable to an employee's employment with the District. Any grievance, or part of a grievance, that is subject to the jurisdiction of a different governmental body or Wisconsin statute, or subject to a different dispute

resolution process, is excluded from this grievance procedure. This grievance procedure does not create a legally binding contract or a contract of employment.

II. Definitions

A. Definition of “Employee”:

1. For purposes of discipline and termination under this grievance procedure, an employee shall be defined to include regular full-time, part-time, and limited term employees. All other individuals employed by the District, such as casual employees, temporary employees, and short-term substitutes as well as independent contractors, are specifically excluded from the definition of employee and, therefore, this grievance procedure is not available to them.
2. For purposes of workplace safety under this grievance procedure, an employee shall be defined to include regular full-time, part-time, limited term, casual, and temporary employees. All other individuals employed by the District are specifically excluded from the definition of employee and, therefore, this grievance procedure is not available to them.

B. Definition of “Discipline”: For purposes of this procedure, “discipline” means an employment action that results in a disciplinary suspension or disciplinary demotion. “Discipline” for purposes of access to this grievance procedure does not include any written or verbal notices, warnings, reprimands, or reminders; verbal disciplines will be documented, but is not subject to the grievance procedure. The purpose of written and verbal notices, warnings, reprimands, or reminders is to alert the employee that failure to correct the behavior may result in disciplinary suspension, without pay, disciplinary termination, or disciplinary demotion.

C. Definition of “Termination”: For purposes of this procedure, “termination” means a separation from employment by the employer for disciplinary or quality of performance reasons. “Termination” does not include layoff, reduction in workday, nonrenewal, furlough, reduction in workforce, job transfer or reassignment, or the end or completion of temporary employment, which are not subject to the grievance procedure.

D. Definition of “Workplace Safety”: For purposes of this procedure, “workplace safety” includes any conditions of employment related to the physical health and safety of employees, including the safety of the physical work environment, the safe operation of workplace equipment and tools, provision of personal protective equipment, and accident risks. “Workplace Safety” does not include conditions of employment unrelated to physical health and safety matters, including, but not limited to, hours, overtime, assignments and work schedules.

III. General Provisions

A. Role and Appointment of “Impartial Hearing Officer”: For purposes of this procedure, the role of the “Impartial Hearing Officer” will be to define the issues,

identifying areas of agreement between the parties and identifying the issues in dispute, and to hear the parties' respective arguments. The Impartial Hearing Officer shall be appointed by District Administrator based upon the nature of the matter in dispute.

- B. Time Limits:** Failure to submit or process a grievance by the employee within the time limits specified below, or agreed upon extensions, shall constitute waiver of the grievance and it will be considered resolved on the basis of the District's last answer. Failure of a District representative to meet the time limits specified below shall cause the grievance to move automatically to the next step in the procedure within seven (7) days of such failure. A grievance or decision or appeal is considered timely if received by the employer during normal business hours or if postmarked by 12:00 midnight on the due date. The time limits contained in this procedure are to be strictly observed and can only be extended upon the express written consent of the parties.
- C. Days:** The term "days" as used in this provision means calendar days, excluding holidays as defined in the Handbook. If the last day on which a grievance is to be filed or a decision is to be appealed is a Saturday, Sunday, or holiday as defined in the Handbook, the time limit is the next day which is not a Saturday, Sunday, or holiday.
- D. Scheduling:** Grievance meetings and hearings will typically be held during the employee's off-duty hours. Time spent in grievance meetings and hearings shall not be considered as compensable work time.
- E. Representation:** The employee shall have the right to representation during the grievance procedure at the employee's expense.

IV. Procedure for Grievances Concerning Employee Terminations and Employee Discipline:

The employer and employee may mutually agree, in writing, to waive any step to facilitate or expedite resolution of the grievance.

Step 1: An earnest effort shall be made to settle the matter informally between the aggrieved employee and the employee's immediate supervisor. If the grievance is not resolved informally, then it shall be reduced to writing by the employee who shall submit it to the employee's immediate supervisor within fourteen (14) days after the facts upon which the grievance is based first became known, or should have become known, to the employee.

The written grievance shall give a detailed statement concerning the subject of the grievance, the facts upon which the grievance is based, and indicate the specific relief being sought.

The supervisor will reply in writing to the employee within fourteen (14) days after receipt of the written grievance.

Step 2:

If the grievance is not settled in Step 1, and the employee wishes to appeal the decision of the supervisor, the employee shall submit the written grievance to the District Administrator or designee within seven (7) days after receipt of the supervisor's written answer to request a hearing before an Impartial Hearing Officer. The Impartial Hearing Officer will be appointed by the District Administrator or designee. The employee shall pay a \$25 filing fee when requesting the service of an Impartial Hearing Officer who is otherwise selected and paid for by the employer. Each party shall bear its own costs for witnesses and all other out-of-pocket expenses, including possible attorney's fees, in investigating, preparing, presenting, or defending a grievance.

If timely requested, the hearing will normally be scheduled within thirty (30) days of receipt of the request for hearing. The Impartial Hearing Officer may require the parties to submit documents and witness lists in advance of the hearing in order to expedite the hearing. The Impartial Hearing Officer will have the authority to administer oaths, issue subpoenas at the request of either party, and decide if a transcript is necessary.

At the conclusion of the hearing, the Impartial Hearing Officer shall render a written decision indicating the reasons for one of four decisions: 1) Sustaining the discipline/termination, 2) Modifying the discipline/termination, 3) Denying the discipline/termination, or 4) Recommending additional investigation prior to final determination. The Impartial Hearing Officer shall issue the written decision to the employee and employer within thirty (30) calendar days from the date of the hearing or submittal of post-hearing briefs. In cases where the Impartial Hearing Officer recommends additional investigation, at the conclusion of the additional investigation, a second, follow-up hearing shall normally be scheduled. The Impartial Hearing Officer may apply relaxed standards for the admission of evidence and may request oral or written arguments and replies.

Step 3:

The employer or employee may appeal the decision of the Impartial Hearing Officer to the Board in writing within seven (7) days of receipt of the written decision of the Impartial Hearing Officer. The decision of the governing body shall be final and binding upon the parties.

Level of Review: The role of the Board of Education, in reviewing the decision of the Impartial Hearing Officer, is to solely address the following questions:

1. Did the Impartial Hearing Officer follow a fair and impartial process?

2. Is there evidence of corruption, fraud, or misconduct by the Impartial Hearing Officer?
3. Did the Impartial Hearing Officer make an error of fact or law which makes his/her award invalid?
4. Did, in the opinion of the Board, the Impartial Hearing Officer err in making his/her award?

After answering the above questions, the Board of Education will decide to uphold, modify, or reverse the decision of the Impartial Hearing Officer. The Board will issue its written decision within sixty (60) days from receipt of the appeal.

V. Procedure for Grievances Concerning Employee Workplace Safety:

The employer and employee may mutually agree, in writing, to waive any step to facilitate or expedite resolution of the grievance.

Step 1: Any employee who personally identifies, or is given information about, a workplace safety issue or incident must notify his/her immediate supervisor of the issue or incident as soon as reasonably practicable. All workplace safety issues and incidents, no matter how insignificant the situation may appear to be, must be reported by an employee to their immediate supervisor within 24 hours after the incident or issue was raised in order to be addressed as part of the grievance procedure.

A written report of the incident or issue, outlining the events that transpired and proposed resolution, if any, shall be submitted to the Building Principal for review and consideration within seven (7) days of the incident or issue.

Step 2: After receipt of the written report, the Building Principal or designee will conduct additional investigation, as required, and normally issue a final report on its findings and conclusions within thirty (30) days of receipt of the written report. Copies of the report will be given to the persons who signed the written report as well as to the District Administrator or designee.

Step 3: The employee may appeal the findings and conclusions of the Building Principal and request the appointment of an Impartial Hearing Officer within seven (7) days after receipt of the Building Principal's report. The Impartial Hearing Officer will be appointed by the District Administrator or designee.

If timely requested, the hearing will normally be scheduled within thirty (30) days of receipt of the request for hearing. The Impartial Hearing Officer may require the parties to submit documents and witness lists in advance of the hearing in order to expedite the hearing. The Impartial Hearing Officer will have the authority to administer oaths, issue subpoenas at the request of either party, and decide if a transcript is necessary. At the

conclusion of the hearing, the Impartial Hearing Officer shall render a written decision indicating one of three outcomes: 1) Sustaining the conclusions of the Building Principal, 2) Denying the conclusions of the Building Principal and ordering additional or alternative remedial measures, or 3) Recommending additional investigation prior to final determination. The Impartial Hearing Officer shall issue the written decision to the employee and employer within thirty (30) calendar days from the date of the hearing or submittal of post-hearing briefs. In cases where the Impartial Hearing Officer recommends additional investigation, at the conclusion of the additional investigation, a second, follow-up hearing shall normally be scheduled. The Impartial Hearing Officer may apply relaxed standards for the admission of evidence and may request oral or written arguments and replies.

Step 4: The employer or employee may appeal the decision of the Impartial Hearing Officer to the Board in writing within seven (7) days of receipt of the written decision of the Impartial Hearing Officer. The decision of the governing body shall be final and binding upon the parties.

Level of Review: The role of the Board of Education, in reviewing the decision of the Impartial Hearing Officer, is to address the following questions:

1. Did the Impartial Hearing Officer follow a fair and impartial process?
2. Is there evidence of corruption, fraud, or misconduct by the Impartial Hearing Officer?
3. Did the Impartial Hearing Officer make an error of fact or law which makes his/her award invalid?
4. Did, in the opinion of the Board, the Impartial Hearing Officer err in making his/her award?

After answering the above questions, the Board of Education will decide to uphold, modify, or reverse the decision of the Impartial Hearing Officer. The Board will issue its written decision within sixty (60) days from receipt of the appeal.

Temporary Assignments: Employees will normally receive their regular rate of pay for the time spent in temporary assignment, at the District's discretion.

JOB VACANCIES & POSTING

POLICY: To provide notification of job openings and opportunity for employees to apply for open positions.

Procedure: When the Employer determines that a vacancy or new position shall be filled, the Employer shall typically notify each employee no less than two weeks before the position is filled through the District's e-mail. The notice shall include the date the position is to be filled, title of position, requirements, and rate of pay and benefits. The Employer retains the right to determine whether and when to recruit outside applicants.

Interview: In most cases, all employees who meet the minimum qualifications for the position and apply for the position will be given the opportunity to interview for the opening. All employees who interview for a position will be notified of selection outcome.

Vacancies: Vacancies shall be filled with Board approval on the basis of experience, competency, qualifications of the applicant, and other relevant factors.

LAYOFF & RECALL

POLICY: The Employer retains the right to lay off employees, in whole or in part, and to retain those employees who are most qualified to perform the available work, regardless of their previous length of employment.

Procedure: The needs of the Employer shall be the prime consideration used in the Employer's determination of which employees shall be laid off. The rehiring of employees who have been laid off shall be determined by the Employer based on its need for the most qualified person to perform the available work.

PERFORMANCE REVIEWS

POLICY: To provide for periodic review of work performance.

Procedure: Employee work performance will be reviewed pursuant to District policy based on applicable state and/or federal law.

PERSONNEL FILES

POLICY: Reasonable access to personnel records will be authorized in accordance with public records laws and regulations. Such employment separations may be voluntary or involuntary. Upon any separation from employment, compensation and benefits which employees have earned and accrued will be credited to them pursuant to law. The last day worked will in most cases be considered the last day of employment. The District reserves the right to determine the last day of employment.

Any support staff who leaves the district prior to the end of the school year shall have their time-off prorated.

WORKPLACE ENVIRONMENT

WORKPLACE PROTECTIONS

- **WORKPLACE SAFETY**
- **DISCRIMINATION, HARASSMENT & RETALIATION-FREE WORK PLACE**

POLICY: It is the policy of the School District of Bayfield to maintain a safe workplace environment that is free from discrimination, harassment and retaliation. Every employee has a personal responsibility to help maintain a safe and healthful workplace environment. Under federal and state fair employment laws, members of protected classes are shielded from unlawful discrimination in employment. Workplace harassment and discrimination, whether engaged in by employees, supervisors or members of the public, will not be tolerated and will subject offenders to disciplinary action or discharge from employment. Retaliatory acts taken against employees for reporting workplace safety issues, harassment or discrimination will also not be tolerated and will subject the offender to disciplinary action or discharge from employment.

If an employee is found to be responsible for harassment or other discriminatory conduct, then appropriate disciplinary action may be taken, up to and including a termination from employment. However, such action cannot be taken if management is not first made aware of the complaint.

An employee who has a harassment, discrimination or retaliation complaint should immediately report it to his/her supervisor or the District Administrator. The report may be made verbally or in writing. The allegations should provide sufficient information and detail so that the District Administrator or his/her designee can thoroughly investigate the complaint. If the District Administrator is the object of the complaint, then the employee should report directly to the Board President.

Upon receiving an employee report of harassment, discrimination or retaliation, the supervisor, District Administrator or Board President will take appropriate steps to investigate the complainant's allegations. Such reports shall be kept confidential to the maximum extent possible. An investigation may include interviewing other employees, speaking with the complainant, interviewing members of the public and reviewing documents such as e-mails, letters or memos. Based upon the investigation's outcome, management will take appropriate action to resolve the complaint. A resolution may or may not result in disciplinary action being taken by the employer.

Definition of Workplace Safety: Any unsafe practice or condition, affecting persons, property or equipment, must be reported immediately to an employee's supervisor. Should a hazardous situation exist, safety concerns always take precedence over continuing operations. See also the Grievance Procedures governing workplace safety contained in this handbook. Any employee who identifies new ways to increase workplace safety, should make these recommendations known to his/her supervisor.

APPENDIX A

Teacher Alternate Compensation Table

Teachers play a critical role in providing all Bayfield students with the best possible educational experiences. The School District of Bayfield is committed to recruiting and retaining skilled and dedicated teachers with a focus on student success. The Bayfield School Board has adopted an alternate compensation table for teachers to support recruiting and retention efforts. This table, with its combination of base wage and supplemental pay, provides teachers with the ability to have a sense of future wage possibilities while also providing a competitive teacher wage for this region. The table is based on years of service/initial level placement as well as professional /educational accomplishments and Department of Public Instruction (DPI) licensure held. The table makes use of the three year cycle for teacher evaluations based on the District-adopted Educator Effectiveness Model.

A teacher's base wage is either Level A of the Initial Rate or, for those positions which required a master's degree, Level A of the Master Rate. Base wage is negotiated annually between the School Board and the Bayfield Education Association (BEA). Base wage increases may range from a minimum of 0% to a maximum of the current Consumer Price Index (CPI) published annually for contracts beginning on July 1st of each year.

Placement and movement on the pay scale is supplemental pay. Wage increases beyond the maximum CPI base wage increase, as ratified by the School Board, are supplemental. The District's ability to provide a supplemental wage increase is reviewed annually and approved by the School Board. The District's ability to pay a supplemental wage increase is based on the District's overall financial condition each year and may change year-to-year.

In the event that the District's overall financial condition does not allow for a supplemental wage increase in a given year, any wage increase will be based solely on the School Board-ratified base wage increase.

Column Descriptions:

- a. The Provisional column is designated for teachers with a DPI Provisional educator license.
- b. The Lifetime column is designed for teachers with a DPI Lifetime educator license.
- c. The Master column is designated for those teachers with a DPI Master license, having earned National Board Certification or having earned a Masters/Educational Specialist/Doctoral Degree.

Initial Placement on Table:

- a. To facilitate initial use of the alternate compensation table, teachers were placed on the level closest, but not lower than their 2013-2014 placement, with an exception for those who move to the Professional (now Lifetime) or Masters categories.
- b. These placements may not coincide with individual situations relating to the three year evaluation cycle. This may result in some teachers not being eligible to move levels for 1-2 years. This also may result in some teachers moving more than one level in a single year.

Movement of Levels:

- a. Movement of levels is based on the three year teacher evaluation cycle.
- b. Teachers will move to the next levels on the table annually by successfully meeting their Student Learning Outcome during year one and two of their evaluation cycle.
- c. Teachers will move to the next level on the table at the end of their summative evaluation year by meeting their Student Learning Outcome and receive a rating of Effective or Distinguished on their Educator Effectiveness Summative Evaluation.
- d. Teachers under an uncompleted plan of improvement when a school year ends will be held at their current level and will have the opportunity to move a level at the end of the following school year based on successful completion of their plan of improvement.
- e. Teachers not meeting the requirement for level movement will be held at their current level and will have the opportunity to move a level at the end of the following year.
- f. Teachers who do not renew National Board Certification will move from the Master column to a cell with a corresponding salary amount in the Lifetime column. Their wage will be capped at a level no higher than the highest cell of the Lifetime column.
- g. Salary for teachers moving from the Lifetime to Master column is determined by taking the teacher's highest salary in the Lifetime column, adding \$2,000 to original figure, then placing the teacher in the cell closest to the total figure on the Master Category. The Master Category cell used to calculate the \$2,000 wage addition will not be a wage less than the teacher's highest salary in the Lifetime column. The Master degree must be in education or content related.
- h. Teachers anticipating moving to the Masters column by earning a graduate degree, DPI Master license or National Board Certification are required to notify the District Administrator no less than six months prior to graduation/completion. The District reserves the right to limit the number of teachers moving from the Professional to Masters Column after July 1st of the current fiscal year. Teachers denied movement from Professional to Masters Columns after July 1st of the current fiscal year would move to the Professional Column at the start of the following fiscal year.
