

Scott Stralka  
Principal 6-12  
School District of Bayfield  
Report to the Board  
March, 2012

February 1<sup>st</sup>: Our Middle School students attended their field trip to the ski hill and had a wonderful time skiing.

February 4<sup>th</sup>: Ms. Eid's sculpture class took a field trip to Washburn for the Meniere's Art Expo. The art class had a sculpture show with the theme "What it might be like to Meniere's." They participated in an Awareness of Meniere's Lecture and were given the assignment of creating their interpretation of Meniere's Disease using a styrofoam wig head as the base for their project. Collectively students decided the proceeds from the sale of their finished pieces will go directly to Meniere's Resources. Meniere's resources thanked the students of Ms. Eid's Bayfield High School Sculpture Class for their hard work and creativeness for the Service Learning Project.

February 15<sup>th</sup>: Ms. Kasinski provided an opportunity for her high school students to visit Le Cordon Bleu a college in Minneapolis, MN with the focus on the culinary arts program.

February 17<sup>th</sup>: Mr. Filipczak took a group of middle school students to the Northern Great Lakes Visitor Center to view the archives for the History Day Project on March 29, 2012.

February 18<sup>th</sup> : Ms. Debungie brought a group of high school students on a field trip to Sawyer, MN to attend a Storytelling session.

February 28<sup>th</sup>: Mr. Erickson and his Alternative Education students attended a field trip to UMD and participated in the Toothpick Bridge Building Contest. The students won in all three categories at the contest.

PBIS Update: Attached is the current K-12 PBIS data showing the average referrals per day per month with a significant drop in major and minor referrals to the office in the month of February.

**Average Referrals Per Day Per Month, 2011-12**
