

Athletic Director Report  
January 8, 2013

The athletic programs are going strong and are in midseason form. Girls/Boys basketball, wrestling, cheerleading teams have been working hard and have demonstrated their dedication towards our school very positively in the past few months. The high school coop ski team and the girl's middle school volleyball are just starting and will be participating in local ski meets and upcoming January-March volleyball games. We now have a total of six sports teams for our winter athletic program.

The Fall/Winter sports awards ceremony is being planned for some time in early March after the current season is over. This event will be held during the day to allow for our families, students and staff the ability to participate and attend the event.

Student participation for each sport: 1-8-13

- Girls Basketball 17
- Boys Basketball 17
- Wrestling 7
- Cheerleading 6
- Ski Team (coop) 7
- MS Volleyball tbd

Sincerely submitted,
