SUBJECT: November District Administrator Report

1. Staff Development

A full day teacher inservice is set to take place on November 12th. Elementary teachers as well as middle school and high school math teachers are set to work with Amanda Popovich from CESA 12 on math curriculum alignment. The remainder of the staff is working primarily on RTI and PBIS for the majority of the day.

2. BEA Negotiations

On November 1st the BEA voted unanimously to not accept the School Board's wage increase offer. On November 6th Request to Initiate Mediation paperwork was sent to the BEA and the Wisconsin Employment Relations Commission. I will keep you posted as more information on this process comes available.

3. Administrator Non-Renewal

This is an annual reminder regarding non-renewal of administrators. WI statute 118.24 requires that in a non-renewal situation, School Boards must provide preliminary written notice of non-renewal no later than the end of January and a final written notice of non-renewal no later than the end of February. If no such notice is given, the contract in force stays in force for two years.

4. WASB Annual Convention

The WASB Convention will be held January 22-25 in Milwaukee. Please let Sheila Kelly know if you plan to attend the convention no later than December 10th so that she can get arrangements in place. From the looks of the preliminary line up of events, it appears that information on a number of important topics will be presented at the convention.
