

**May 2012
BOARD REPORT**

**Grants & Activities Coordinator
Linda Weber**

Troller After-school Program:

- Posted for a full-time Americorps Member to work specifically in the Troller After-school Program in 2012-2013. This program is through the Marshfield Clinic Community Outreach department.
- Summer programs are now posted on website.

Other Grants Update & Activities:

- Did not receive funding from Otto Bremer Foundation for the Health and Obesity project. Application didn't fit well enough with their scope and vision.
- Ojibwe Language Revitalization Renewal grant application submitted on May 7, 2012.
- May 11, met with Steven Yule, Wisconsin Program Officer for Serve Wisconsin, evaluation of our Farm-to-School staff and program.
- May 17 – Attended all day training meeting in Marshfield for the Marshfield Clinic Afterschool Americorps site host and supervisor.
- May 18 - 21st Century Learning Center (TAP) Renewal Grant Application submitted.
- May 21 – Fresh Fruit & Vegetable Program Renewal Grant Application submitted.
- May 23 – Conduct interview for the Summer VISTA position – Lucia Damberg. She will start on June 21.
- May 31 – Met with Sally Cadotte and Sally Kessler about continued partnership providing tutoring to middle and high school students. A larger, designated room is desired for this tutoring effort.

Public Relations/Other:

- 2012 Spring Troller Newsletter has been posted on the school website and currently being printed at Printing Plus. District residents should receive them by mail the week of June 11, 2012.
- June events announced on website.
