Principal K-12  
School District of Bayfield  
Report to the Board  
October, 2013

September 11: Dr. Aslyn and I attended the JOM meeting in Red Cliff. Attached are the meeting minutes for the August meeting.

September 18: We surprised Mr. Rick Erickson with a High School Assembly in the gym. He received the Wisconsin High School teacher of the year award. This was presented by Dr. Tony Evers, State Superintendent. News media were on hand along with Rick's family. This was a great event. We are all proud of Rick.

September 25: Dr. Aslyn, Lorie Erickson and I attended the ceremony in Madison at the Capitol recognizing Rick Erickson's High School teacher of the year award.

October 1-4: This was the week leading up to Bayfield's Apple Festival. Many of our staff and students worked diligently throughout that week preparing for this spectacular event.

October 7: In-Service Day. Maija from CESA 12 presented training to our staff on the important areas of the Educator Effectiveness Evaluation System and Wisedash. Wisedash is a data warehouse provided on line for our staff to analyze data trends from past WSAS scores, attendance, ACT, and Graduation rates.

October 8: Anne Lacy and I attended a ceremony in Madison at the Capitol to receive our School of Recognition award for Bayfield Elementary. This was a great honor and I am extremely proud of our staff and students for receiving this award.

October 29-Nov 22: This is the window for our WKCE test administration. Schedules have been developed and administered. A parent letter explaining the WKCE and the important steps to prepare for this was sent during the week of October 14. Our Kindergarten and First grade class participated in the PALS (Phonological Awareness Literacy Screening assessment). The purpose of PALS is to provide a direct means of matching literacy instruction to specific literacy needs and provide a means of identifying those children who are relatively behind in their acquisition of these fundamental literacy skills.
