

Scott Stralka
Principal K-12
School District of Bayfield
Report to the Board
August, 2013

July 15 – 19: Attended the CESA 6 Regional Training for “The Effectiveness Project.” This training provided information in regards to the Strong model professional evaluation system. This is a system that incorporates the collection and presentation of data to document our performance based on defined job expectations. We will be piloting this program this year.

July 22-26: Conducted interviews for our open teaching positions. Candidates were selected and recommended to Dr. Aslyn for board approval.

August 12 -14: I will be attending a Principal’s networking meeting as a follow up to our Strong model training and also receive Wisedash information for data management that will be utilized in addition to our STAR, PALS, and WKCE data for increasing student achievement.

August 19-21: I will be attending the Wisconsin PBIS conference with Jeff Gordon, Anne Sullivan, and Pat Earing. We will have the opportunity to receive the latest trainings on PBIS and also receive our School of Merit recognition for our Elementary, Middle and High Schools.

August 22: I, along with Dr. Aslyn and Mr. Gordon will meet with our substitute teachers and provide a mini workshop that will include information concerning PBIS, Sub folders, and mandatory reporting.

August 26th – 29th: New staff orientation will be on the 26th. We will provide district wide information and curriculum for our new staff. All staff will report back to work on August 27th to begin our staff development In-service days. Collaboration and information for our 2013/2014 school year goals will be provided.
